**Recognising Refugees Country Profiles  
Authors' Workshop  
Thursday 28/01/21  
12.00-16.00 GMT**

*Start Time: 12.00 GMT / 09.00 BRT / 15.00 EAT / 13.00 CET*

*Participants are requested to submit their draft reports in advance, and to review other drafts to enable discussion. At the workshop, authors should provide a 5-minute introduction to the key issues arising, including any difficulties regarding data gathering. If you wish, as well as providing your paper in advance, feel free to upload a 15-minute audio or video presentation for participants to listen to / watch in advance.
